MEMORANDUM FOR: [REDACTED]
SUBJECT : Project [REDACTED] Request 25X1A5a1

25X1A5a1 25X1A5a1
The D paper of Project [REDACTED] requested by [REDACTED] is
causing us difficulty. Project [REDACTED] who refused [REDACTED] some time ago 25X1A5a1
has now asked in response to our request why do we specifically need it.
It might prove embarrassing and we would like to cancel request with 25X1A5a1
[REDACTED] unless the need is quite definite. Please check [REDACTED] and
advise.
